## **16 WHAT HAPPENS TO MY MONEY IN THE EVENT OF INSOLVENCY?**

16.1 The Gambling Commission requires us to tell you what happens to Customer Funds, and the extent to which those Funds are protected in the event of our insolvency. Customer Funds (both monies deposited by Players or reflected in their Account Balance as a result of Prizes paid to Players) are kept in accounts separate from business accounts; and arrangements have been made to ensure assets in the customer accounts are distributed to customers in the event of insolvency. This corresponds to a 'medium' level of protection as defined by the Gambling Commission. You can get more information from the Gambling Commission's website at <https://www.gamblingcommission.gov.uk/guidance/customer-funds-segregation-disclosure-to-customers-and-reporting/the-customer-funds-insolvency-ratings-system>
