

Scottish Children's Lottery – Castle Cash Procedure

Overview

The Castle Cash scratchcard is brought to you by the Scottish Children's Lottery. By purchasing or playing this scratchcard, the rules of the Scottish Children's Lottery Instant Win scratchcards apply. A copy of rules is available at all Retailers and on the Scottish Children's Lottery website – www.scottishchildrenslottery.com

Castle Cash scratchcard game detail

Game Title – Castle Cash

Game Number – SCL21001

Selling Price - £1

There is a 1 in 4.26 chance of winning a prize on each Castle Cash scratchcard, across the complete printed run of 10,000 scratchcards. Prizes available to win are - £1, £2, £5, £10, £20, £100 and £1,000.

How to play

Scratch off the complete latex panel to reveal all gaming and prize areas. The play area under the latex panel has 2 ways of winning a prize. To win firstly, match 3 identical symbols across each of the 3 winning lines to win the prize indicated at the right-hand side, of each of the winning lines. Secondly, find a Thistle symbol anywhere under the latex panel to win an instant £5. Players can win up to 3 times on one of the Castle Cash scratchcards.

Game reveal Symbols, Prizes and confirming text

There are a total of 9 symbols with text to reveal on each card, 3 symbols on each of the 3 winning lines.

 FLAG	 BAGPIPE	 KILT	
 SHIELD	 WIN	 CANNON	
 SWORD	 DRAWB	 PORT	

The Castle Cash scratchcard has the above 9 different symbols with their matching text, variably used within the Castle Cash scratchcard game mechanic. All symbols may not be revealed on each game card and each symbol can be used more than once, on the same card.

As and when prizes are won the total number of prizes available decreases. All scratchcards will remain on sale after the top prizes have been claimed. For information on scratchcards and winners please visit www.scottishchildrenslottery.com or call us on 0330 1233951 – Operator call costs may apply.

Game Prize Information

The Castle Cash scratchcard has a total of £4,500 to be won across the 10,000 cards available. This represents 45% of the total face value of the cards.

The total number of prizes and cards available is true and formally notified to the Gambling Commission before any scratchcards are sold. All information contained within these Procedures is final and will not be revised to take into consideration any future redemption, sales, or loss of scratchcards. These procedures also cover any future withdrawal of scratchcards (where those scratchcards are withdrawn by Scottish Children's Lottery without knowledge of whether they are prize winning scratchcards).
